SUMMARY

Dynamic Frontend Developer with over 3 years of experience in crafting responsive applications using Next.js, TypeScript, and Material UI. Proven ability to optimize user interfaces for maritime devices, enhancing real- time data visualization through tools like Redux and WebSocket. Successfully transformed over 20 projects from design to implementation, ensuring pixel perfection in collaboration with cross-functional teams. Eager to leverage strong technical skills and innovative approach to deliver exceptional web solutions.

WORK EXPERIENCE

Frontend Developer | SMART MARINE
08/2023 – 03/2026, Istanbul, Turkey

- Engineered an offline-first, embedded testing application for maritime communication devices (AIS, EPIRB, VHF) utilizing Next.js, TypeScript, and Material UI, delivering production-ready builds for closed-network hardware.
- Synchronized complex global state and real-time data by integrating Redux, Context API, and multiple concurrent WebSocket connections to manage live test data and REST APIs effectively.
- Developed touch-optimized user interfaces (800x480 resolution) and custom-built gauge components with React, App Routing, and Tailwind CSS, ensuring seamless navigation and real-time data visualization for shipboard environments.
- Crafted ultra-lightweight applications (dynamic forms and data tables) using Preact, specifically designed for maximum performance on heavily resource-constrained devices.
- Collaborated with cross-functional teams (Backend, QA) on 20+ projects, transforming Figma designs into pixel-perfect UIs and employing Docker, Swagger, and Postman for efficient API integration.

EDUCATION

B.S. - Civil Engineering | Antalya Bilim University
08/2016 – 07/2021, Antalya, Turkey

SKILLS

JavaScript (ES6+), TypeScript, React, Next.js, Preact, Tailwind CSS, CSS3, Material UI, Git, GitHub, Docker, WebSockets, Redux, Zustand, Context API, REST APIs, Vercel, Analytical Skills, Problem-Solving, Collaboration, HTML, CSS, Responsive Design, Cross-Browser Compatibility, UI/UX, SCSS, Figma, SEO, Web Performance, Postman

LANGUAGES

Turkish (Native Language)

English (Fluent)
